Valley tea 2.⁵⁰

Valley Tea by Verdi consists of fifteen delicious teas. The blends are inspired by the rich tea cultures of the world; from original Sri Lankan and Chinese tea, to typical English blends and characteristic combinations with South African Rooibos. In addition to our carefully selected teas, we use herbs and real fruit pieces to give extra character and flavor.

Op een zonnige toekomst

Met onze wijnen steunen wij een zero drop out school in Bonnievale, Zuid Afrika. Veel jonge kinderen leven hier onder armoedegrens, zonder houvast en zonder perspectief. In samenwerking met Edge of Life Fund bieden we elk kind de kans om zich op school te ontwikkelen. Zodat ieder kind als jongvolwassene vol hoop, vertrouwen en vakkennis de school verlaat.

To a bright future

With our wines we support a zero drop-out school in Bonnievale, South Africa. Many young children life under the poverty line, with nothing to hold to and without any perspective. In co-operation with the Edge of Life Fund we offer every child a chance to go to school. By this every child can become a young adult that leaves school with hope, trust and know-how for a bright future.
